## Terms of Enrollment

### **Applicant Right to Cancel and Tuition Refund Policy:**

Notification of cancellation and any request for refund must be made in writing.

If written notice of cancellation and request for a refund is received 60 days before the first day of class, CMC will refund the full tuition amount minus a \$25 cancellation fee. **No refund will be given with less than a 60 day written notice of cancellation, unless the applicant's place in the class can be filled from the CMC waiting list, in which case the applicant will receive a full refund minus a \$25 cancellation fee.**

- An applicant providing written notification and a request for refund that is received by CMC 60 days prior to the first day of class will receive a refund check for the amount of the tuition less a \$25 application fee within 30 days of our receipt of the notice.
- An applicant providing written notification of the transfer of his/her enrollment to another applicant that has paid for the class, and requests refund will receive a full refund of the tuition minus a \$25 application fee within 30 days of our receipt of notice.
- An applicant providing written notification and a request for a refund will receive a full refund of the tuition less a \$25 cancellation fee within 30 days of our receipt of the notice if CMC is able to fill the opening with an applicant from the waiting list for that class.

### **CMC Right to Cancel:**

CMC retains the right to cancel a class at any time due to circumstances beyond its control. Minimum enrollment is required for each class. If the minimum enrollment is not met or in the event the class is cancelled for other reasons, CMC is liable only for the full registration fee. Please keep this in mind when making additional commitments related to the class such as airplane, hotel, and car reservations — as CMC is not responsible for reimbursement of any such charges. In the event of cancellation, CMC will use its best efforts to give prompt notice.

### **Release of Liability:**

Prior to the beginning of instruction all applicants will be required to complete a Class Registration Form and sign a Voluntary Release of Liability and Notice of Assumption of Risk. The Class Registration Form and Voluntary Release of Liability and Notice of Assumption of Risk may be accessed at [www.cmcrescue.com](http://www.cmcrescue.com) or a copy may be requested from CMC at (805) 562-9120.

### **Legally Binding:**

The terms of enrollment are legally binding when signed by the applicant and accepted by CMC Rescue.

### **California Student Disclosures:**

CMC Rescue School is registered with the State of California. Registration means CMC has met certain minimum standards imposed by the state for the registered schools on the basis of our written application to the state. Registration does not mean we have met all of the more extensive standards required by the state for schools that are approved to operate or licensed or that the state has verified the information we have submitted with our registration form. The following applies to students attending classes held within the state of California. CMC Rescue is not a participant in the Student Tuition Recovery Fund.
